

HEALEY & LORD

COMMERCIAL DOC M / DDA SHOWER ROOM PACK WITH EXPOSED SHOWER VALVES & CURTAINS

HL1180SS-LH/RH - HL1180BK-LH/RH

Commercial Doc M / DDA shower grab rail and shower seat pack with exposed fixings, in a polished stainless steel or matt black finish.

This Doc M compliant grab rail kit includes a exposed inline diverter, valve and fixed overhead shower head and an adjustable shower head and slider. It also comes complete with 650x467mm folding shower seat with adjustable support legs, 3 x 600mm grab rails and 2 x 800mm drop-down arms with a lift and lock folding mechanism, 1 x robe hook, 1 x shower curtain rail with 2 x luxury white curtains. This Commercial shower kit provides a minimalist design while maintaining functionality and Doc M DDA compliance when used in conjunction with suitable curtains, TMV3 shower valve and head(s).
