

HEALEY & LORD

600 x 350mm RECTANGULAR COUNTERTOP BASIN #4

HL5954

Healey & Lord countertop basins are designed to add a feature centrepiece to any bathroom. Available in six ceramic finishes, our countertop basin range can be integrated into both Modern and Classic styled bathrooms, and are ideal for commercial washrooms where a stylish wash basin solution is required. Countertop basins can be paired with the Healey & Lord range of brassware and accessories to create a unique washroom look.

The Healey & Lord Countertop Basin #4 is a 600 x 350mm rectangular basin, suitable for use with either wall or deck-mounted taps. This countertop basin is made from high quality ceramics, with a central 45mm diameter waste hole.

Countertop Basin #4 is available in 6 ceramic finishes, and can be purchased with a matching ceramic pop-up basin waste.

Dimensions: 600 x 350 x 100 mm (W x D x H)

Warranty: 20 Years on Ceramics, 10 Years on Brassware – against manufacturing defects
