

HEALEY & LORD

MODERN DOC M BACK TO WALL DISABLED TOILET PACK – NO TOUCH CONTROLS

DTUK12xx / DTUK14xx / DTUK17xx / DTUK18xx
HL218xx / HL219xx

Modern back to wall Doc M disabled toilet pack with no-touch infrared tap and flush controls. Includes 5x 620mm rails, white backrest and 800mm support arm. This pack is also available with an optional corner colostomy shelf in a matching finish and is also available in a close coupled and wall hung installation type.

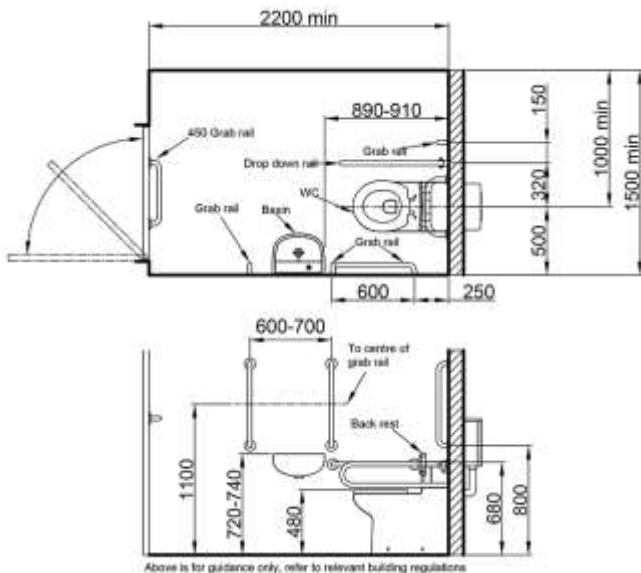

Our Modern range of Doc M toilet packs have been developed to give any DDA washroom a high-quality contemporary feel, offering a highly functional washroom that is aesthetically superior to most other Doc M packs available in the UK.
