

HEALEY & LORD

MODERN DOC M WALL HUNG DISABLED TOILET PACK – MANUAL CONTROLS

DTUK12xx / DTUK14xx / DTUK17xx / DTUK18xx
HL218xx / HL219xx

Modern wall hung Doc M disabled toilet pack with manual tap and flush controls. Includes 5x 620mm rails, white backrest and 800mm support arm. This pack is also available with an optional corner colostomy shelf in a matching finish and is also available in a close coupled and back to wall installation type.

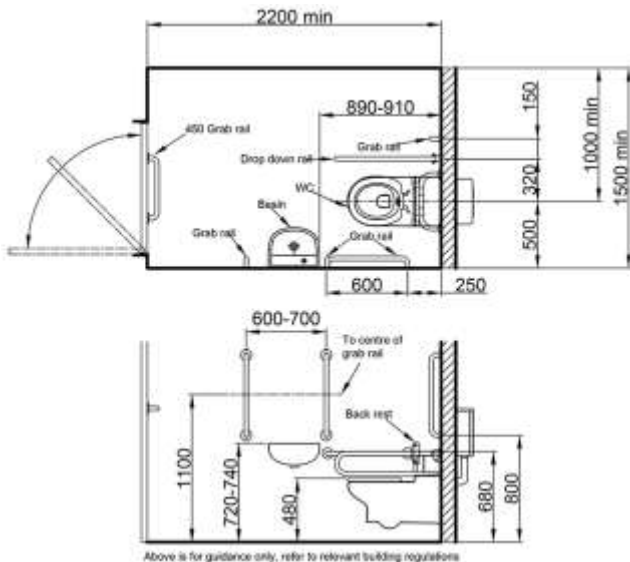

Our Modern range of Doc M toilet packs have been developed to give any DDA washroom a high-quality contemporary feel, offering a highly functional washroom that is aesthetically superior to most other Doc M packs available in the UK.
